

SPRING

March 2019 LPLC Newsletter:

March surely came in with a bang! This cold weather is sure putting a damper on our outside play! We are hoping with Spring right around the corner we will get to enjoy the playground soon! Please remember to bring coats and shoes for your child as we will start heading outside for adventures and walks when the warmer temperatures begin!

We are excited about St. Patrick's Day coming up as well. We always have a visit from a Leprechaun and he always makes quite the mess in the daycare. Hopefully we can catch him this year. Please wear green on March 17th. We will be having lots of green treats and taking an "all green" picture as well!!!

The transition of our new teacher, Jennifer, has been great. The kids are loving her and she is enjoying learning with them. Ms. Myriah makes sure to visit every day to get in her hugs as well!!!

Spring Break is March 25-29th. If your schedules are changing that week please let us know so you can be billed accordingly. School kids are welcome to attend all that week as well!
