

Lyndon Play and Learn Center

May 2012

Mom

It's official, the children and staff at Lyndon Play and Learn Center have the "fever"..... Spring Fever, that is! We are hoping that the April showers we learned about really do bring May flowers. This month will be crawling with fun activities and learning centered around **BUGS** and the wonderful works of Eric Carle. May Day, Mother's Day, outdoor safety, and Memorial Day are just some of the other topics we will focus on.

Our Kid's Club School age program begins on May 21st. We look forward to having the "big kids" here for the summer. If your child's summer schedule will be changing for any reason, please let us know. This will help you avoid any unnecessary charges.

Daycare will be closed on Monday, May 28th ~ Memorial Day.

Thank-you LPLC staff

May 7-11th is Teacher Appreciation Week. I would like to take this time to thank Myriah Drolema, Linda Mitchell, Amy Swan, Jul Woodworth, Chana Kullerstrand, Courtney Sterling, and Jacy Woodworth for their hard work and dedication. We are so fortunate to be able to share in the lives of your children. The dedication and love the teachers have for the children is seen on a daily basis. As I watch each of them each day I not only see a classroom, learning, daily care and hard work..... I see love and family, I see teachers who have, do, and will make a difference, I see women who love your babies not only when they are on the clock, but always. If you can spare a moment this week, give the daycare teachers, or any teacher in your family's lives, an extra pat on the back, it will mean so much! Our LPLC families always make us feel so special!

Thank-you
